Policy/rule title: Closure of external Work Number website for OPI-M employment verification**Policy/rule numbers:** OAR 461-145-0120, OAR 461-145-0130, OAR 411-014-0025**Release number:****Effective date:** February 14, 2026**Expiration date:****References:****Web address:** <https://www.oregon.gov/odhs/providers-partners/seniors-disabilities/Pages/in-home.aspx>**Discussion/interpretation**

The Work Number (TWN) external website has been used to obtain employment and income data for Oregon Project Independence – Medicaid (OPI-M) eligibility determinations. As of February 14, 2026, access to the external TWN site will no longer be available. Employment verification for OPI-M must instead be

completed through the ONE system or direct client documentation. The instructions below are only required if an applicant and/or their spouse reports they are working or there are indicators they are working.

Implementation/transition instructions

Effective **February 14, 2026**, OPI-M staff must discontinue use of the external TWN website for employment verification.

1. OPI-M cases in the ONE system

- For new OPI-M applications and renewals where a case is maintained in the ONE system, employment verification will be obtained using TWN integration within ONE when available.
- Staff should complete all necessary employment and income verification using the integrated TWN functionality in ONE as part of eligibility processing.
- The steps for this process can be found in the TWN section of the [IEVS EG](#), and the TWN training remains current and available on Workday, [ODHS - OEP-LET – The Work Number \(TWN\) Interface](#).

2. OPI-M cases outside of ONE

- For all other OPI-M cases not in the ONE system, the external TWN site can no longer be used.
- New OPI-M applicants and renewal cases outside of ONE must provide verification of employment directly.

When employment information is not available through ONE and must be obtained from the applicant:

1. Issue a 'Notice of Request for Information or Verification' (DHS 4234) to request verification of employment.
2. Request the following documentation:

- Employer name, address, and phone number
- Dates of employment (start and end, if applicable)
- Current rate of pay and payroll frequency
- Recent pay stubs (e.g., last 4–6 weeks)

Staff must allow at least 10-day notice for applicants to provide this information per due process requirements.

Local/branch action required

Effective February 14, 2026, local offices must discontinue use of the external TWN website. Staff must verify employment using TWN integration in ONE when available or issue a 4234 pending notice to request verification for OPI-M cases outside of ONE.

Central office action required

Central Office will disable access to the external TWN website, update policy and training materials, and provide guidance and support to ensure a smooth transition for staff.
