Policy/rule title: Homecare Worker, Personal Support Worker and Personal Care Attendant Rural Mileage**Policy/rule numbers:** Collective Bargaining Agreement**Release number:****Effective date:** Upon Transmittal Release**Expiration date:** n/a**References:** Collective Bargaining Agreement**Web address:** <https://www.oregon.gov/odhs/providers-partners/homecare-workforce/Documents/2023-2025-seiu-ohcc-contract.pdf>

Discussion/interpretation: ODHS and OHA have created a joint policy based on the 2025-2027 Oregon Home Care Commission (OHCC) Collective Bargaining Agreement (CBA). Article 15, Section 2 states:

The State may authorize a provider to receive mileage reimbursement to travel from their home to the individual's home on a case-by-case basis due to no available providers living within a reasonable distance to the Individual.

In this transmittal, provider refers to Homecare Worker (HCW), Personal Care Attendant (PCA) and Personal Support Worker (PSW). This policy will be implemented in selected rural areas that meet state criteria for frontier areas or Health Professional Shortage Areas (HPSA). The intent is to assist individuals who live in remote rural areas of the state in accessing provider services.

This policy applies when the one-way travel distance to an individual's home exceeds 50 miles and the individual lives in a qualifying ZIP code. Mileage reimbursement will only be provided for miles beyond the initial 50 miles, up to 50 additional miles. Requests for reimbursements exceeding 50 miles will require approval per program-specific guidance. Below you will find examples, the general implementation instructions, program specific guidance, and qualifying ZIP codes. Attached is a ZIP code list by county, which will also be available through your program.

Examples:

- Provider drives 99 and under (to and from) they will receive no reimbursement.
- Provider drives 100 miles (to and from individuals' residence) will get nothing.
- Provider drives 110 (to and from) they will get reimbursed for 10 miles.
- Provider drives 120 miles (to and from) they will get reimbursed for 20 miles.

Qualifying ZIP codes (of the individual's residence):

97009, 97016, 97018, 97022, 97029, 97033, 97039, 97048, 97050, 97051, 97053, 97054, 97055, 97056, 97064, 97065, 97089, 97324, 97407, 97411, 97412, 97413, 97420, 97430, 97431, 97438, 97439, 97450, 97452, 97453, 97459, 97463, 97480, 97488, 97492, 97493, 97620, 97630, 97635, 97636, 97637, 97638, 97640, 97641, 97710, 97720, 97721, 97722, 97732, 97735, 97736, 97738, 97750, 97758, 97812,

97814, 97817, 97818, 97819, 97820, 97823, 97825, 97828, 97830, 97833, 97834, 97836, 97837, 97839, 97840, 97842, 97843, 97844, 97845, 97846, 97848, 97856, 97857, 97861, 97864, 97865, 97869, 97870, 97873, 97874, 97877, 97884, 97885, 97901, 97902, 97903, 97904, 97905, 97906, 97907, 97908, 97909, 97910, 97911, 97913, 97914, 97917, 97918, 97920

Implementation instructions:

1. Identify whether the individual lives in a designated ZIP code area approved for rural mileage reimbursement.
2. Confirm and document that the individual has been unable to find providers within a 50-mile radius of their home.
3. Determine whether the provider must travel more than 50 miles from the provider's home to the individual's home using Google Maps.
4. Calculate the number of miles traveled more than 50 miles one way (i.e., reimbursable miles = one way distance minus 50 miles). This mileage will count towards reimbursement both to and from the provider's home.
5. If a provider requests mileage reimbursement for travel exceeding 100 miles in one direction, approval may be granted on a case-by-case basis. See program-specific guidance below for the appropriate approval process.
6. Only approve if the provider has a valid driver's license and vehicle insurance.
7. Rural mileage reimbursement will only be approved until the individual's next assessment, until the provider changes their home address, or until the provider stops working for the individual. At the reassessment, or if the provider changes address, mileage reimbursement must be reviewed to verify if the criteria continue to be met for the provider.
8. See specific program instructions for additional documentation and approval requirements.

Documentation:

For ODDS Case Management Entities:

Case Managers will need to authorize mileage reimbursement for a PSW who must travel more than 50 miles one way to provide services using the newly created [PSW Mileage Authorization Form](#). This approved mileage must be billed

and reimbursed through eXPRS. The form must be uploaded to eXPRS Plan of Care and will only be valid for the current individual support plan (ISP) period.

Mileage reimbursement between the service recipient's and PSW's home does not need to be authorized in the service recipient's ISP or in a service agreement.

For APD/AAA Staff:

Form [APD 397950](#) has been created for this mileage reimbursement, which can be found on the forms server. Copies of this form should be provided to the HCW.

It is the HCW's responsibility to fill out and submit the form for reimbursement.

The HCW may email or mail the form to:

Provider Relations Unit (PRU)

Mail: Oregon Department of Human Services

Attn: Provider Relations Unit

500 Summer St NE, E-02

Salem, OR 97301

Email: apd.ceppayments@odhsoha.oregon.gov

If a HCW submits to the local office for processing, the local office must email the form to PRU at the above email.

Mileage reimbursement over 100 miles one way must be approved by Central Office. Please email Central Office with reasoning for the request to:

APD.MedicaidPolicy@odhsoha.oregon.gov

Staff must narrate in the individual's case when mileage is approved for a specific HCW. Narration must include:

- HCW name and provider #
- Why mileage was approved (ex: no available providers and what was checked to confirm)

For OHA Staff:

If approved, list rural mileage requested separately from service plan mileage on both the 531A and 531 forms for OHA review and approval. If one way travel is greater than 100 miles, approval may be granted on case-by-case basis with IQA and OHA approval.
