SELECT ONE: ☐ New Policy ☒ Policy Revision
☐ Reaffirmation of Existing Policy

I. PURPOSE AND APPLICABILITY

- A. This policy describes Oregon State Hospital (OSH) and educational services provided to patients 18 through 21 years of age through the associated Educational Services District (ESD).
- B. This policy applies to all Staff.

II. POLICY

- A. Oregon State Hospital (OSH), in compliance with the Individuals with Disabilities in Education Act (IDEA), the Oregon Department of Education (ODE) has contracted with local Education Services Districts (ESDs) to establish school programs within the Oregon State Hospital (OSH) and staff them with licensed educators to provide free, appropriate public education (FAPE) to school-aged adults.
- B. Per Policy Attachment:
 - 1. Educational services must be offered to eligible patients. Unless exceptions in OAR 581-015-2045 apply, the Education Service District (ESD) education specialist must offer enrollment to each patient who:
 - a. Patient is 18 to 21 years of age (21st birthday falls within current school calendar year), and
 - b. is determined by OSH to be clinically and medically able to receive educational services.
 - 2. Patients may voluntarily decline enrollment in educational services.

SUBJECT:	Educational Services for Patients 18 through 21 Years of Age	POLICY NUMBER: 6.053
DATE:	August 10, 2026	Page 2 of 2

3. A patient's participation in educational services may be temporarily paused by the patient's interdisciplinary team (IDT) or education specialist if the patient's clinical behavior or security risk indicates that exclusion from school is warranted.
 4. For units or individuals under medical isolation or other precautions for acute illness or serious, highly infectious disease (e.g., COVID-19, flu, norovirus, etc.), the ESD's hospital program will determine the appropriate method for instruction delivery. Accommodation shall be made during the period of isolation, other precautions, or illness, and the educational specialist must communicate the plan to the patient and the IDT.
- C. The education specialist may participate in the patient's treatment and attend Treatment Care Planning meetings as necessary.
1. The education specialist must provide written progress to the IDT on each patient enrolled in educational services according to OSH policy 6.045, "Clinical Documentation."
 2. The education specialist may be asked to appear before or provide information to patient review boards, including, but not limited to, OSH Risk Review Panel.
- D. Oregon State Hospital (OSH) follows all applicable regulations, including federal and state statutes and rules; Oregon Department of Administrative Services (DAS), Shared Services, and Oregon Health Authority (OHA) policies; and relevant accreditation standards. Such regulations supersede the provisions of this policy unless this policy is more restrictive.
- E. Staff who fail to comply with this policy or related policy attachments or protocols may be subject to disciplinary action.
