Statement

It is the policy of Oregon state government that an appointing authority or designated representative grant leave without pay in accordance with law or policy or when an employee's accrued leave is exhausted, and the employee's absence will not seriously impact operations.

Applicability

Classified unrepresented, management service, unclassified service and unclassified unrepresented employees, excluding temporary employees.

Forms

- None

Definitions

Refer to State HR Policy 10.000.01, Definitions.

Policy

1. Leave without pay is not granted until all appropriate accrued leave is exhausted. Exceptions are provided by statute and in the following policies:
 - a. State HR Policy 60.000.12, Statutorily Required Leaves with and without Pay
 - b. State HR Policy 60.000.15, Federal Family Medical Leave
 - c. State HR Policy 60.000.03, Oregon Family Leave Act
 - d. State HR Policy 60.000.04, Paid Leave Oregon
 - e. State HR Policy 60.000.25, Military Leave
 - f. State HR Policy 60.000.01, Sick Leave with Pay
 - g. State HR Policy 60.015.01, Temporary Interruption of Employment
2. Leave without pay is not granted to an employee for employment outside of state service unless the appointing authority approves the employment as a benefit to the state.
3. The appointing authority may grant leave without pay for reasons not specified in this policy when the absence of the employee will not seriously impact the work of the agency.
4. Leave without pay over 15 consecutive calendar days affects an employee's continuous service date (CSD) and benefit service date (BSD) by the total amount of calendar days the employee is on leave without pay. For example, if the leave without pay is for 16 calendar days, the employee's CSD and BSD adjusts by 16 days. The CSD and BSD do not change for leave without pay for:
 - a. 15 calendar days or less.
 - b. Military leave.
 - c. Family and Medical Leaves (includes Federal Family Medical Leave, Oregon Family Medical Leave, and Paid Leave Oregon).
 - d. Workers' Compensation.
5. Leave without pay totaling equal to or more than one-half of the total calendar days in a calendar month affects an employee's PERS retirement calculation.
